LinkedIn: [linkedin.com/in/mckendree-strommer/](https://www.linkedin.com/in/mckendree-strommer/) | GitHub: [github.com/Windowmac](https://github.com/Windowmac) |

Portfolio: [windowmac.github.io/react-portfolio/](https://windowmac.github.io/react-portfolio/)

## SUMMARY

A Full Stack Developer with a background in Funeral Service/Embalming that brings problem-solving, quick-thinking, excitement and passion for technology. Known among team members as a strong coder that reliably commits and finishes tickets efficiently. Successful in any work environment that promotes passion, innovation, and productive teamwork.

## TECHNICAL SKILLS

**Languages:** Javascript, HTML/CSS, JSX, SQL

**Applications:** MERN Stack, Serverless Architecture, GraphQL, Firebase, Handlebar

## PROJECTS

**SoundGraph** | [github.com/Windowmac/soundgraph](https://github.com/Windowmac/soundgraph) | [windowmac-soundgraph.netlify.app/](https://windowmac-soundgraph.netlify.app/)

- An interactive sound generator that allows the user to play 3 octave ranges with touches/clicks on the screen - eventually record and play your own sounds as well!
- Designed/Created app – integrated MongoDB, used netlify's lambda functions, wrote front end interactions and AudioContext, and everything else necessary
- MongoDB, Lambda, Javascript, HTML/CSS, AudioContext/MediaRecorder API, Bulma

**Klettersteig** | [github.com/Windowmac/Klettersteig](https://github.com/Windowmac/Klettersteig) | [sheltered-badlands-95600.herokuapp.com/](https://sheltered-badlands-95600.herokuapp.com/)

- A hiking app designed to deliver hikes near the user as well as allow them to save favorites/pictures to the app
- Designed backend – created Sequelize models, wrote session cookie, database, and built express routes. Implemented handlebars, delivered firebase picture-storage
- SQL, Express, Node, HTML/CSS, Firebase, Sequelize, Materialize

## EXPERIENCE

**Funeral Director/Embalmer**

2012 – 2019

**First Call Mortuary Services**

Portland, OR

- Recognized by industry professionals for quality embalming work
- Regularly praised by families for empathy and attention to detail
- Wrote the contract that won a yearly agreement with the Multnomah County Medical Examiner's office
- Applied for and was promoted from a call technician to positions throughout the company earning an apprenticeship and eventually a position as a licensed embalmer/director.

## EDUCATION

**Bootcamp Certificate:** University of Oregon, Eugene, OR

A 24-week intensive program focused on gaining technical skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handlebars & React.

**Degree:** Associates of Science, Funeral Services, Mount Hood Community College, OR
